NAME _____

My Daily Reading Log

Tips: *Read the same book at school and at home until it is finished. *Keep another book ready in case you finish your first book. *Copy the title very carefully so words are spelled correctly and capitalized correctly. * Use your best handwriting on your log. * Remember that ditto marks mean…exactly like the words directly above. * Don't forget to get a parent's initials. * Pack your book and reading log back in your binder, and put the binder in your backpack.
