

3rd Grade Bridge Crossing for returning Holland Hall families

Although the 2019-20 school year ended abruptly, we still want to celebrate last year's Holland Hall third-graders who marked a big milestone — moving into Middle School!

We will have the annual Bridge Crossing ceremony at 9 a.m. August 24. Families should gather on the Middle School side of the bridge. Students should meet their classroom teachers near the PS gym.

A few things to note about the celebration:

- Families are allowed to bring 4 guests per child
- There will not be chairs provided, so bring them if you'd like
- Everyone — including students — must wear a mask
- Please try to keep 6 feet of separation between families
- Anyone showing COVID 19 symptoms should not come to the ceremony

Parents, bring your cameras and feel free to take photos of your student crossing the bridge. After your child crosses, please step to the side so that other families may also take photos.
